

To make the accommodation experience of our guests with disabilities more comfortable and convenient, our hotel offers 2 specially designed accessible rooms. **These rooms are arranged to meet the needs of individuals with limited mobility.**

#### Features of Our Accessible Rooms:

1. **Spacious Area:** The interior space of our rooms is kept wide to make it easier for our guests with disabilities to move around.
2. **Easy Access:** All rooms are accessible through doors and corridors suitable for wheelchair use.
3. **Bathroom Layout:** The bathrooms in our accessible rooms are specially designed for safe and comfortable use, equipped with grab bars, spacious shower areas, and similar features.
4. **Furniture Arrangement:** Furniture is arranged to ensure the comfort of our guests with disabilities. Low beds and items at appropriate heights are preferred.
5. **Emergency Measures:** Our rooms are equipped with special markings and directions to emergency exits for quick and safe evacuation in case of an emergency. Additionally, by dialing "0" from the telephone located in the bathroom and next to the bed, guests can directly reach the Reception. An "Emergency Cord" is also located in both the bathroom and beside the bed. For our hearing-impaired guests, a visual alarm/siren system is available, and for our visually impaired guests, an audible alarm/siren system is provided. These features are available in both accessible rooms located on the first and second floors, numbered 111 and 211.

**Public Areas:** At our hotel entrance, there are ramps on both sides suitable for guests with disabilities. Entrance doors on both sides are also suitable for wheelchair access. All our elevators are suitable for the entry and exit of mobility scooters or wheelchairs.

**Pool Lift:** We have a pool lift so that our guests with disabilities can easily benefit from both our indoor and outdoor pool facilities.

Our hotel aims to provide the best service to our guests with disabilities. For more information and reservations, please contact us. We would be delighted to welcome you!
